Ph. 662-425-6286

Mrs. Trimble is Communications Manager for the National Security Cyberspace Institute. She has more than five years of experience in the public affairs field. As a public affairs specialist at NASA's Langley Research Center, Mrs. Trimble researched, planned and implemented public affairs campaigns and acted as liaison between news media representatives and NASA personnel. She also has experience as a newspaper editor, most recently for a weekly publication serving more than 25,000 American military members and their families stationed in Germany.

Education

2009, Master of Arts, International Relations, University of Oklahoma
2004, Bachelor of Science, Communication Studies, James Madison University
